PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1c (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1c.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

This rail-served, probably secured storage area covering approximately 310 acres is located 6 kilometers (km) northwest of Shepetovka (Figure 1). The storage area contains 29 storage buildings and one administrative building. A support area located immediately south of the storage area contains two barracks, five quar-

ters-type buildings, and five administration buildings (Figures 2 and 3).

A comparative analysis of [REDACTED] KEY [REDACTED] 25X1D
missions between [REDACTED] 25X1D
[REDACTED] shows no apparent change. The installation appears active and is currently being utilized.

25X1D

DESCRIPTION OF INSTALLATION

Railroad Service

Two single track spurs serve the area. Trackside and rail-end docks are not discernible.

Road Service

The installation is served by unimproved roads.

Administrative and Troop Housing Area

Area D (Figure 3) contains five administrative buildings, two barracks, five quarters buildings, and the general support facilities

needed to operate the storage area.

General Storage Area

Area E contains one administrative building and 2 storage buildings.

Ammunition Storage Area

Area F contains one administrative building and twenty-nine 165- by 35-foot probable ammunition storage buildings.

Athletic Field

An athletic field is located in Area D.
